SNEED HOUSE, 30 OLD SNEED PARK, SNEYD PARK, BRISTOL, BS9 1RF

A STUNNING DETACHED MODERNIST FAMILY RESIDENCE SET IN OVER HALF AN ACRE OF GARDENS. THIS BREATHTAKING PROPERTY WAS BUILT IN 1936 AND HAS BEEN SENSITIVELY EXTENDED AND REFURBISHED BY THE CURRENT OWNERS, WHO HAVE RESPECTED THE ARCHITECTURAL SIGNIFICANCE OF THIS WONDERFUL BUILDING TO CREATE A FABULOUS CONTEMPORARY FAMILY HOME.

Designed by the renowned Bristol Architect Mark Hartland Thomas, Sneed House was completed in 1936. It was instantly recognised as a significant building in the modernist style and subsequently selected by The Architect and Building News for detailed illustration and description. Mark Hartland Thomas was awarded the OBE for his role in the preparation for the 1951 Festival of Britain, and you can even see his painting in the National Portrait Gallery.

On entering Sneed House, one is immediately aware of the quality of this family home, and the exacting standards that the current owners delivered with their improvements. The uninterrupted flow of clean open lines, space and expansive glazing allows natural light to flood the accommodation, and combined with the flat roof lines create a seamless connection between form and function.

The accommodation is set over three floors and boasts balconies and patios that make the most of the south westerly aspect. On the ground floor there are two studies off the entrance hall. The property then flows to the inner hall with an elegant stone staircase that ascends to the first floor, creating a double height galleried landing. Double doors lead to the living room, which enjoys a period stone fireplace as a centrepiece. The heart of the property is the large kitchen that is very well appointed, offering a wide range of units flanking the far wall as well as forming an island. The kitchen is dressed with Corian, which enhances the feeling of contemporary clean lines, and also incorporates underfloor heating and a myriad of integrated appliances. The spacious room offers direct access to the rear patio and gardens beyond. Accessed off the kitchen is a snug which is currently used as a second living room. The ground floor is also equipped with a utility room, cloakroom and plant room housing the heating and hot water systems.

The majority of the bedrooms are sited on the first floor. Bedroom 2 and 5 enjoy the Southwest aspect, whilst bedrooms 3 and 4 take advantage of the morning sun to the Northeast. There is a family bathroom, and bedrooms 2,3 and 5 benefit from ensembles. A key feature of the first floor is the large Southwest facing balcony with glass balustrades. The top floor houses the master suite which comprises a large double bedroom accessing a private balcony, an ensuite bathroom and dressing room.

Outside, Sneed House is set back from the road affording a large driveway with ample parking, as well as a garage. The entire plot measures 0.58 acres, and the home sits comfortably within the middle of the plot, allowing for a large rear garden that is mainly laid to lawn with established borders containing a wealth of mature trees and shrubs as well as vegetable patches and fruit trees.
