“

Located in one of Reigate's most popular roads, this home has been lovingly updated and styled by the current owners. The garden is a peaceful haven to relax and enjoy, perfect for a glass of something cold with friends.

”

This gorgeous period property is located a short walk to Reigate town centre and Priory Park. Forming part of the iconic Covent Garden terrace this lovely end terrace home exudes charm and character. Beautifully decorated and styled throughout, it feels homely, welcoming and ready to move into.

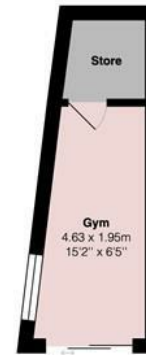

The lounge has a log burner for those cosy nights in and built in storage to the alcoves to keep it free of clutter. The open plan kitchen living space opens onto the terraced rear garden which has been landscaped to make the most of all the space. The modern garden building would make a great home office or gym as it is currently used and the seating area is perfect for BBQ's.

Upstairs the neutral tones provide a sense of space and the modern bathroom adds an element of luxury. On the second floor there is an ideal nursery, office or could perhaps be a walk in dressing room for the master bedroom! There is also a second shower room on this floor, great for those busy mornings.
