£325,000

A bespoke, mews style development of six luxury apartments located in central Reigate just a stones throw from Priory Park. A vast array of shops, restaurants and coffee shops right on the doorstep and a short walk to Reigate station.

This exclusive development of six brand new apartments, is tucked away on Bell Street, opposite the award winning Priory Park.

Built by Trinity Square Developments in a mews style, each property has it's own front door. The brick facade is nestled amongst the surrounding trees and the landscaping complements the brickwork beautifully.

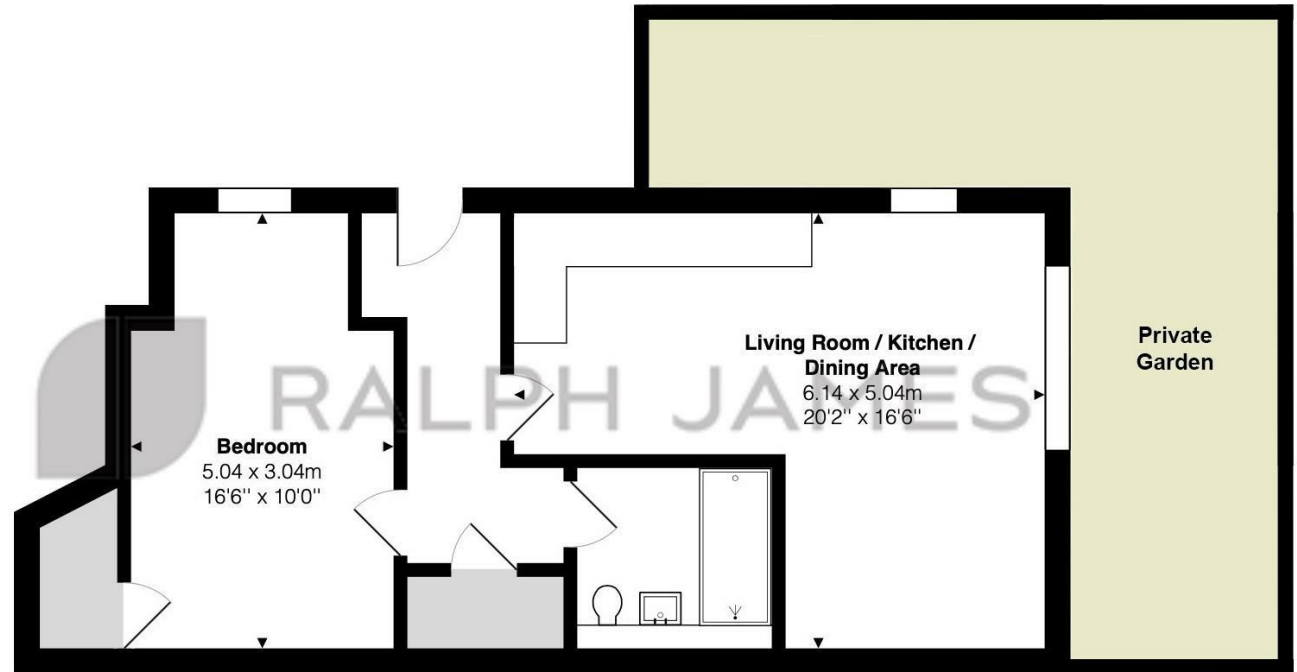

This last remaining, one bedroom apartment is located on the first floor and has it's own private front door. The views from the living space are to the rear of the development, looking over the leafy area of Reigate St Marys School playing fields, giving a feeling of space in such a central location.

The apartments have been fitted with stylish, two tone kitchens and quartz worktops as well as complementary tiled splashbacks. The high quality luxury vinyl flooring throughout the hallway and living space is laid in a chevron style and there is a tiled floor in the bathroom.
