£600,000

This modern home is part of a small development built in 2020. Located in a popular residential location, offering easy, low maintenance living with the added bonus of two parking spaces as well as a gorgeous landscaped garden, what more could you ask for!

This modern, three bedroom home is fresh and inviting and ready to move straight in. Built in 2020 by Bewley Homes, it has clean lines throughout with neutral tones in the stylish kitchen and bathrooms.

To the front of the property there is allocated parking for two cars. As you step into the hallway there is ample room for storing coats and shoes and access to the bright kitchen dining room. The shaker style kitchen units are complimented by the white worktops and the built in appliances keep things neat and tidy. There is plenty of space for a table and chairs and the bay window lets in lots of natural light.

The lounge spans the rear of the house and the bi fold doors open out onto the rear garden. Outside, the owners have had added a stunning porcelain patio terrace, which catches the sun in the afternoons and is a lovely space to enjoy. Being on the end of the development, there is side access and the owners have also had a useful shed installed for storage.

Upstairs there are two double bedrooms as well as a single, which makes a great home office. The main bedroom has an en suite shower room and there is a separate family bathroom as well as a downstairs cloakroom.
