This mid century home has been extended and fully refurbished to the highest standard throughout, to create a warm and inviting home. The thoughtful design and layout works well for any growing family and it is ready for you to simply move your furniture in!

”

This detached home has been updated and refurbished to create an inviting and practical family home. Being tucked away on a quiet cul de sac, the location is ideally placed for several excellent local schools including St Bedes, Royal Alexandra and Albert, Holmesdale Community Infants and Wray Common Primary. Having been fully renovated within the last twelve months, this property feels brand new.

Inside, the space flows effortlessly together, with big windows letting light flood through. The open plan living space is the heart of the home, with plenty of room for the whole family to gather together. The dining area has two sets of bi fold doors and the living space has sliding doors to open the space up into the garden and bring the outside in. There is a handy separate snug, great for keeping the children's toys in order and a sizeable utility / boot room with enough storage for coats and shoes for a growing family.

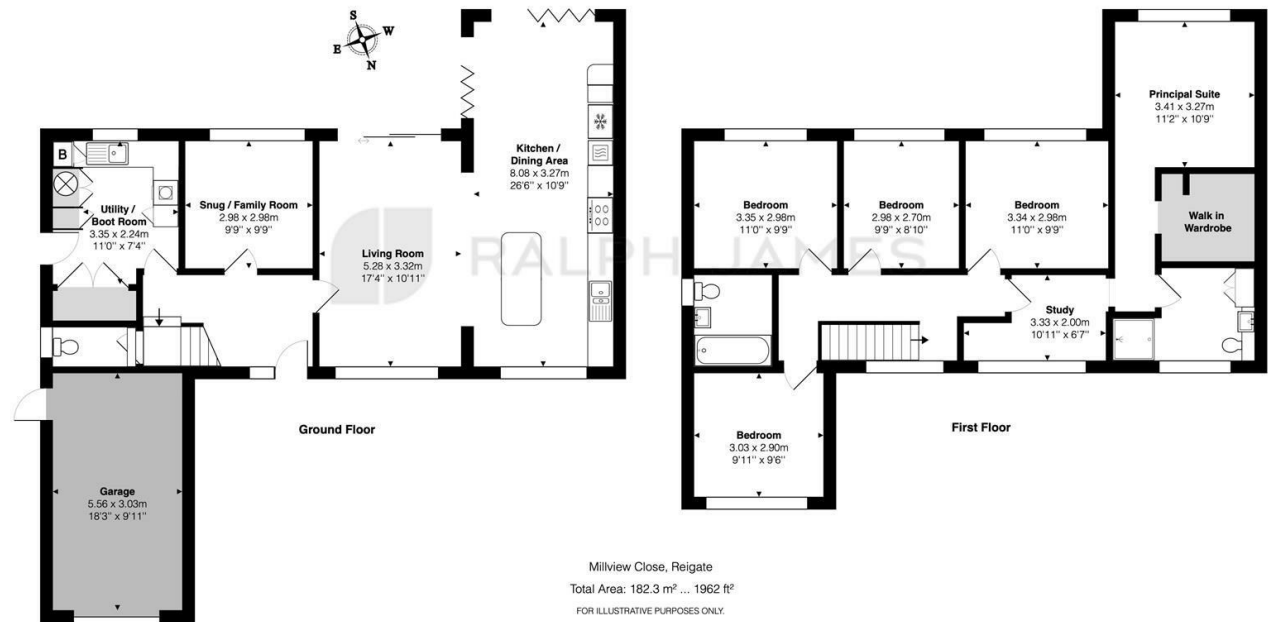

Upstairs the principle suite is a peaceful haven, with a walk in wardrobe and en suite shower room. There is even a separate study area which is great for those that work from home. There are four further double bedrooms and a family bathroom and if desired, there is scope to extend further and add in another en suite shower room.

To the front of the house is a driveway for 2 - 3 cars, an integral garage and a generous front garden. This sweeps around the side of the property to the rear garden with a good size patio area and lawn.
