Park House is a brand new development of converted apartments nestled in the heart of Reigate's vibrant and sought-after neighbourhood.

These apartments offer a unique living experience that blends history and modernity. Each apartment has been thoughtfully designed and renovated to create a personalised living space that is different from the traditional apartment complex.

Step into our apartments and you'll immediately notice the artistic and bespoke designed communal hallways by local artist @samtart. Sleek cabinetry, designer fixtures, and high-end finishes add a touch of luxury to the living spaces, making it both comfortable and stylish with a few coming with private outdoor space.

The size of the building and number of units are limited by design, creating an intimate living environment where you can truly feel at home. Located within walking distance of trendy restaurants, cafes, and shops, Park House offers the perfect balance of convenience and comfort.
