Property Description

*** UNEXPECTEDLY RETURNED TO THE MARKET***

This delightful 2 bed semi detached bungalow is accessed from the fully glazed entrance porch to the side elevation. On entering the porch there is a further upvc-glazed door into the kitchen.

The modern kitchen is equipped with a variety of fitted wall and base units, enhanced by sleek quartz countertops. It features a sunken stainless steel sink with a mixer tap and a range of integrated appliances, including a fridge freezer, eye-level combi microwave/oven with grill, an additional main oven with grill, a 4-ring gas hob with an extractor hood, and a washing machine. A window on the front elevation provides natural light, while a UPVC glazed door leads to the entrance porch and a timber glazed door opens into the inner hall. The space also includes a centrally heated radiator.

The inner hall connects the kitchen, dining lounge, bathroom, and two bedrooms. A loft hatch, fitted with a drop-down ladder, offers access to a partially boarded loft space.

Situated at the front elevation, the dining lounge is accessed from the inner hall and provides ample space for both living and dining furniture. It features an electric fire set within a surround, a television point, a central heating radiator, and a window to the front.

The bathroom, also accessed from the inner hall, is currently fitted with a walk-in bath that has a shower above and a glass screen, a hand wash basin set in a vanity unit, a toilet, an electric heated towel ladder, and an opaque window on the side elevation.

Both bedrooms are located at the rear of the property. The main bedroom features a range of fitted wardrobes, an electric wall-mounted heater, and a window looking into the conservatory. The second bedroom, currently used as a study, provides access to the conservatory through a UPVC door and is equipped with an electric wall-mounted heater and a telephone point.

The conservatory, positioned at the rear elevation, features tiled flooring, glazed French doors leading into the garden, and a Guardian roof.

Externally, the front of the property offers a Marshall brick-paved driveway for off-street parking,

leading to the detached garage. The single, brick-built detached garage is accessed from the front driveway and includes an electric roller door, windows on two sides, a side door, and is equipped with power and lighting. Also to the front is a lawn and an established flower border.

Additional gardens can be found to the side and rear. The side garden includes a shed, greenhouse, bin store, and an outside tap. The rear garden is a well-established, southwest-facing enclosed space featuring a lawn, flowering and herbaceous borders, a small pond, a timber garden room, and an Indian sandstone-paved seating area.

Agents Note

Please be aware that a search has revealed that a public sewer passes under the bottom of the garden. Further details on request from the agent
