Property Description

Upon entering the property, you are greeted by an entrance vestibule that provides access to both the cloakroom and the living room. The cloakroom is equipped with a hand wash basin and a toilet.

The living room is situated at the front of the home, featuring TV and telephone points, a large bow window overlooking the front elevation, and a door leading into the inner hall.

The inner hall connects to the dining kitchen, three bedrooms, the bathroom, and an airing cupboard.

The dining kitchen is well-appointed with a selection of wall and base units, worktops, an integrated stainless steel sink with a mixer tap, an integrated gas hob, an electric oven, and space with plumbing for under-counter appliances such as a fridge and dishwasher. From the dining kitchen, access leads to the utility room, which includes an additional stainless steel sink with a mixer tap, as well as space and plumbing for a washing machine. The utility room also provides internal access to the garage and an external door to the rear garden.

The property features three bedrooms, all accessed from the inner hall. Two of these are double bedrooms, with one benefiting from built-in wardrobes. The other double bedroom offers direct access to the conservatory at the rear of the property. The third bedroom is a single room and would make an ideal home study or hobby room.

The conservatory, located at the rear elevation, enjoys views of the enclosed rear garden and includes an external door for direct garden access, completing the internal accommodation.

Externally, the front of the property features a small lawned garden with borders, complemented by a paved driveway that provides off-street parking and access to the garage. To the rear, the low-maintenance garden is designed with a mix of paved and gravelled areas, offering multiple seating spaces. Additionally, the garden includes a greenhouse.
