Property Description

Upon entering the property, you are welcomed into a spacious entrance hall that provides access to the lounge, utility room, a convenient downstairs WC, a treatment room, and the beautiful open-plan living-dining kitchen at the rear of the home. The hall is enhanced by a striking bespoke oak and toughened glass staircase, leading to the first-floor accommodation, as well as a practical understairs storage cupboard.

The living room, situated at the front of the home, features a window that overlooks the front and is currently being used as a downstairs bedroom.

At the rear of the property, the large open-plan Living/Kitchen/Dining area serves as the ideal family hub and is perfect for entertaining. The kitchen is fitted with a range of wall and base units, complemented by quartz worktops, a sink with a mixer tap, and a selection of integrated appliances, including a ceramic hob, oven, microwave, dishwasher, fridge and a freezer. The living/dining area is finished with solid oak flooring and features a log burner, with large glazed panels and doors that open to the garden room, offering views and providing access to the extensive rear gardens. All the ground floor living rooms have an integrated sound system, which can be controlled centrally.

On the ground floor, you'll also find a practical utility room and a laundry room, which has space and plumbing for additional appliances such as a washing machine and dryer. The laundry and treatment rooms were created from what was once the garage.

The ground floor is completed by a convenient downstairs WC, which is fitted with a hand wash basin and toilet.

On the first floor, the landing is filled with natural light from the roof lantern. From here, you can access four bedrooms, a house bathroom, and an airing cupboard. The main bedroom features a dressing area with fitted wardrobes, with an opaque sliding door leading to a well-appointed ensuite. The ensuite is equipped with a bath, a separate large walk-in shower, a toilet, a hand wash basin, an extractor fan, and windows to both the front and side.

Completing the first floor is the house bathroom, also well-equipped, featuring a bath, a separate walk-in shower, a hand wash basin, a toilet, and a window to the side elevation.

Externally, at the front of the home, a resin driveway offers off-street parking, along with the added convenience of an EV charger.

At the rear of the property, the garden stretches approximately 90 meters and has been thoughtfully landscaped by the current owners. It features a variety of seating areas, lawned spaces, established flower beds, and a small pond. Additionally, there are two timber cabins, perfect for various hobbies or potentially repurposed as home office spaces. Both cabins are equipped with power and lighting.
