## Property Description

On entering the property, you are welcomed into an entrance lobby which has a door into the ground floor open plan living accommodation and also the stairs to the first floor.

The ground floor accommodation is open plan with a living area to the front elevation and a dining area and kitchen to the rear elevation. There are windows to both the front and rear elevations with the addition of glazed French doors from the dining area into the enclosed rear garden. The living area has access to an understairs storage cupboard.

The contemporary kitchen is fitted with a range of wall and base units with ample worktop area, integrated appliances (fridge freezer, electric ceramic hob and electric oven), an extractor hood and space and plumbing for a washing machine and a slimline dishwasher.

To the first floor, there are three bedrooms (two doubles and one single) and a house bathroom. There is also an opaque window to the rear elevation. On the first floor landing, there is a window to the side elevation and a loft hatch providing access into the attic space via a drop down ladder, which is mostly boarded and this is where the homes gas combi boiler is situated.

Externally, to the front of the home the garden has been gravelled for ease of maintenance and there is a block paved driveway providing off street parking and also leads to the detached garage to the rear which has power and lighting. To the rear of the property, there is an enclosed garden which is mainly lawned with the addition of a paved seating area and established borders.
