This is a fantastic opportunity to acquire a charming four-bedroom detached family home located on one of Portishead's most prestigious coastal roads.

Dating back to the 1930s, with spar-dashed elevations beneath a pan-tiled roof, this home offers generous and flexible living spaces beautifully arranged over two floors. Upon entering, you are welcomed by a spacious entrance hall, filled with natural light and featuring a graceful staircase leading to the first-floor landing. The entrance hall serves as a central hub, with doors opening to all the main reception rooms.

The dual-aspect living room is flooded with natural light, showcasing a lovely bay window at the front that provides a stunning view towards the estuary. A large open archway leads into the adjoining sitting area, where sliding glass doors open out onto the well-established rear garden, seamlessly blending indoor and outdoor living spaces. The formal dining room, with its elegant bay window to the front, frames a picturesque view of the front garden, with the estuary visible in the distance—creating an ideal setting for both intimate dinners and entertaining.

At the rear of the property, the kitchen enjoys lovely views over the meticulously maintained garden. It offers generous storage and space for a breakfast table, making it both practical and inviting. A large picture window allows plenty of natural light, while a door provides direct access to the conservatory. The kitchen also benefits from a handy larder, adding to its convenience and functionality.

The downstairs bathroom is a bright and functional space, featuring a rear-facing window and a ceiling lantern that floods the room with natural light. It is equipped with a three-piece suite, including a bath with a shower overhead, a low-level WC, and a pedestal sink, combining convenience and comfort.

The first-floor landing is a spacious and well-lit area, providing access to all the bedrooms, the separate WC, and the main bathroom. A balustrade overlooks the staircase, and matching doors contribute to a cohesive design. Double doors conceal a handy storage cupboard above the stairs.

The large, dual-aspect master bedroom features a front-facing window with pleasant views of the estuary and a rear-facing window overlooking the garden. It also offers a range of built-in wardrobes and a convenient vanity sink.

There is also a generously sized double bedroom with a front-facing window that offers views of the garden and distant glimpses of the estuary. This room includes built-in wardrobes for added storage.

A third double bedroom, also with a front-facing window, is equipped with built-in wardrobes, providing ample storage space.

The single bedroom offers a pleasant rear-facing outlook over the garden and features built-in storage for added convenience.

A separate WC includes a low-level toilet, a corner

wall-mounted sink, and a rear-facing window for natural light. The bathroom is fitted with a three-piece suite, comprising a corner shower, a corner bath, and a sink, with a rear-facing window allowing natural light to fill the space.

The property is ideally positioned within its plot, with mature, well-maintained gardens both at the front and rear. An array of mature trees and shrubs borders the lawn, while several patio areas create perfect spots for al fresco dining. A large driveway offers ample parking and access to the garage, which is fitted with an up-and-over door, electricity, and lighting. A side courtesy door provides easy access to the garden.
