General Remarks

A much improved and immaculately presented five bedroom detached family property, situated in this most private cul-de-sac location within the sought after village of Whittington. The living accommodation is warmed by gas fired central heating with partial underfloor heating and is set out over three floors, with the loft having been converted by the current owners into two additional bedrooms. At the rear of the property, another excellent addition is the large Dining/Family Room which links well with both the gardens and remaining accommodation. The gardens themselves are large and retain their privacy at the rear, while at the front there is a detached double garage adjoining the gardens with ample parking provision. Early inspection is highly recommended by the sole selling agent.
