General Remarks

This individual detached property was built in the mid 1970's and was much extended by the present owners to provide the present day spacious family accommodation. It comprises an entrance hall; cloakroom; dining room; lounge with open fire; conservatory; side utility hall with direct access to the integral double garage; kitchen / breakfast room fitted with maple finished units incorporating integrated appliances. Upstairs there are a total of SIX BEDROOMS, one en-suite, and a bathroom. The house has No. 13 PV solar panels, full PVCu double glazing and fascias and gas fired central heating from a two year old boiler. An exceptional feature of the property are the established predominantly lawned gardens which extend in total to approximately 0.61 acre. They include a further garage / workshop, machinery store, ample secondary parking and are safely enclosed by a mature beech hedge. EPC Rating – 74|C.

Location: The property enjoys a pleasant cul-de-sac location adjoining fields to the south-facing side boundary. It is on the lower edge of the village less than three miles from Wrexham and only a mile from the nearest access onto the A483. Wide ranging village amenities include a choice of Welsh and English speaking Primary Schools; a Public Library; both Dental and Medical Centre and a variety of Shops and Hostelryes.

Constructed of insulated brick-faced external cavity walls beneath a tiled roof.
