General Remarks

"Cheshire View" was built by the current owners to a very high specification and the internal living space measures over 2200 square feet. Arranged over three floors, the first two floors have underfloor heating and in addition to the four large double bedrooms (all of which are larger than most main bedrooms in modern houses) the property also benefits from a home office and a games room on the top floor. Neutrally decorated throughout, the beautifully appointed living accommodation briefly comprises an entrance hallway; downstairs w.c.; triple aspect living room which is over 24 ft long; snug; large kitchen diner; utility room; landing; main bedroom with en-suite and built-in wardrobes; three further bedrooms; family bathroom; second floor landing; home office and a games room. An early viewing is strongly advised. EPC Rating - 79|C.

Location: Rhos is situated some four miles from Wrexham and only two miles from the nearest access-point onto the A483 city by-pass by Starbucks, from where there is dual carriageway access to Chester (16 miles) and the north west motorway network beyond. The village itself provides schooling for all age groups, a wide range of day to day amenities and a Health Centre.
