The property stands well with excellent panoramic views of the Cleveland Hills and is in close proximity to the larger Market Towns of Stokesley, Northallerton and Teesside.

DESCRIPTION

Green Bank Farm comprises a recently constructed, high specification detached property enjoying panoramic views. The property features high quality fixtures and fittings throughout having been constructed in 2023. The kitchen presently remains unfinished with some degree of flexibility in the design. The plans and drawings are available upon request.

The property is entered into a welcoming entrance hall with a striking Karndean floor running throughout and stairs leading up to the first floor. There are three reception rooms including a snug, home office, and large living room with an impressive brick chimney breast with multi fuel stove and bifold doors leading out to the rear. A large kitchen and a utility/boot room with separate cloakroom complete the ground floor.

To the first floor there are four double bedrooms and a house bathroom with the principal bedroom having the benefit of fitted wardrobes, bifold doors opening onto a Juliette balcony (tbc), a large ensuite with bath and separate shower cubicle. Usefully there are a number of cupboards on the landing providing excellent storage.

To the second floor there are two further double bedrooms and a shower room. Each bedroom has eaves storage.

Externally the property is complemented by a good-sized garden with further landscaping works planned which will be completed prior to completion. There is a useful general-purpose building, a timber stable block and 2 grass paddocks to the front and rear totalling approx. 5.82 acres. The property is very private and is accessed via electric gates. There is ample parking for several vehicles. There is a CCTV system installed.
