DESCRIPTION

West End Farm is a small accessible stone built farmhouse with attached cottage and barn. The property is of traditional stone construction with a tiled roof. The property does require some updating but benefits from being fully double glazed and having oil fired central heating. The accommodation is spacious and each room enjoys a stunning view.

The ground floor is entered into via a useful rear porch with a separate utility room, which leads through into the kitchen diner. This room features a range of fitted units with ample space for a

dining table and space for a freestanding oven and fridge freezer together with plumbing for a washing machine and dishwasher. An inner hall leads through to the living room which is a large room with impressive exposed stone fireplace and feature wall with shelving for logs and a feature made of the old ash pit. There is a glazed door leading out to the patio and the stunning views of Mid-Wensleydale can be enjoyed.

To the first floor there are three double bedrooms and two bathrooms, one with a bath and one with a shower cubicle.

The property is complemented by an attached one bedroom cottage. This features a fitted kitchen, a living room with log burning stove, a double bedroom and a bathroom. Historically this was part of the main house and the two properties could be put readily back to one large family house. The cottage benefits from having a private garden to the side with an open fronted garage and off road parking.

Externally the property is complemented by a pretty garden to the front with a terraced patio area. The stunning views can be enjoyed from the garden with a range of lawn, flower beds, mixed trees and fruit trees.

The property is further complemented by a very substantial attached barn which provides a spacious workshop or excellent storage. It may offer conversion potential into an additional dwelling or holiday let, subject to obtaining the necessary consents. There is also off road parking for a number of vehicles.
