DESCRIPTION

The Croft is an attractive stone-built family house which is nicely positioned within a quiet cul de sac. The property has been very well maintained and improved during the vendors ownership with a high-quality new kitchen, improved bathrooms and redecoration throughout. The property lends itself to family living as well as offering work from home potential.

The property is entered via a beautiful solid Oak front door which leads into a welcoming reception hall with an exposed timber floor, feature cast iron fireplace and shelving. The reception hall provides access to the first floor, living room and dining room. The dining room has feature alcoves to either side of the feature fireplace and leads into the conservatory which overlooks the front garden.

The modern and stylish kitchen is well equipped and features a good range of base units with ceramic sink and drainer, integrated appliances including dishwasher and a gas Rangemaster Falcon cooker with extractor and space for a fridge freezer. The room has electric underfloor heating, ample dining space and three windows overlooking the garden to the rear.

Also, on the ground floor is a living room with open Rayburn set within an impressive stone surround, a downstairs shower room and a family room with a gas stove which could be used as a home office or fifth bedroom and a utility room.

To the first floor there are four double bedrooms, one of which has an ensuite shower room, and a family bathroom with shower and a freestanding roll top bath.

Externally the property is complemented by a pretty front garden comprising lawn, mixed flower beds and a mix of trees making it very private.
