DESCRIPTION

1 Simonstone Cottage is a traditional, stone built end terrace cottage which is situated within the small village of Simonstone, a short drive from Hawes. The property stands well down a shared lane with stunning views to the front and rear.

The property is entered into via a front door which leads into the living room. The living room features a multi-fuel stove set into the wall with a stone hearth, and a window to the front with views towards Hawes. Completing the ground floor is a kitchen diner which has a range of fitted units with space for freestanding appliances including plumbing for a washing machine. There is also space for a dining table.

A lobby provides a door leading out to the rear and stairs leading up to the first floor.

To the first floor there are two double bedrooms and a house shower room with walk in cubicle, WC and a hand basin. Both bedrooms enjoy a stunning view of Hawes at the front and Stags Fell at the rear.

Externally the property is complemented by a private garden which is located across the access lane at the front. This is laid to lawn with a flower bed and area for a coal bunker and log store. The views can be enjoyed from here. There is also a small patio in front of the property for seating and allocated parking in front of the gates for 2 cars.

To the rear there is access to two useful stone stores which are ideal for storing logs or bikes.
