## DESCRIPTION

Robson Cottage is an attractive, double fronted stone built cottage which stands well back from the road in the popular village of Carperby. The property has been occupied and well used as second home for a number of years and has been improved during this time. It offers comfortable and spacious accommodation across two floors with south facing views to the rear.

The property is entered into via a lobby with the staircase ahead leading up to the first floor. To the right a door leads into the dual aspect living room which features an open fire set within a stone surround, and has space for a dining table with stunning views to the rear. The kitchen diner has a good range of fitted wall and base units with space for freestanding appliances. There is space for a dining table and a door which leads to the rear sun/boot room which is fully glazed and provides access to the rear garden. This offers a useful space for jackets and boots.

To the first floor there are three bedrooms, the main bedroom has a useful fitted cupboard with hanging rail and the two further bedrooms are single bedrooms. The house bathroom is fully shower boarded and features a WC, basin and bath with electric shower over.

Externally the property is complemented by a pretty cottage style garden to the front with a path leading to the front door. There is also off road parking with access via the lane at the side of the property. To the rear is a further garden which is well landscaped and features a range of established plants, trees and shrubs with a small pond which is adjacent to open fields and enjoys views of Penhill and Wensleydale. There is usefully an attached fuel/garden store and wooden shed.

Overall Robson Cottage would make an excellent full time, second home or holiday let in a popular village within the Yorkshire Dales.
