Darlana is nicely positioned in the centre of the popular village of Bainbridge, overlooking the village green, in the picturesque Yorkshire Dales National Park.

Bainbridge is a beautiful and thriving village with primary school, butchers' shop, garage, tearoom, public house and community hub with a shop and restaurant. The nearby village of Askrigg has independent shops, a bakery with tearoom, hotels and three public houses. The village is also accessible

and well placed in relation to the local Market Towns of Hawes and Leyburn as well as the larger centres of Harrogate, Teesside and York being within reasonable commuting distance. There is also a train station at Garsdale which is on the Carlisle to Leeds line.

DESCRIPTION

Darlana comprises a beautifully finished stone-built, link detached cottage which stands well overlooking the village green with views of the Wensleydale hills beyond.

The property is entered into the hallway with staircase ahead and a door to the right into the living room. The living room has a multi-fuel stove which has recently been installed and is set within a stone

fireplace. There is a window looking out to the front and a useful large storage cupboard.

Leading through to the rear of the cottage is a kitchen diner which features a good range of fitted units which are complemented by an electric oven with hob and extractor together with space for a washing machine and freestanding fridge freezer. There is a corner bench seat which provides ample space for a dining table together with a door leading out to a rear lobby with store.

To the first floor there are two double bedrooms each of which have fitted storage cupboards and enjoy super views over the village green and the hills beyond. There is also a fully tiled house bathroom

with WC, basin and bath with shower over.

Externally the property has a small rear courtyard. Nearby there is village parking available.

Overall, Darlana would make an excellent full time home, second home or holiday let in the heart of the Yorkshire Dales.
