DESCRIPTION

Warwick Cottage is an attractive Grade II listed cottage which has undergone full refurbishment including being reroofed, repointed, new windows and a central heating system including underfloor heating. It is beautifully presented to exacting standards throughout.

The property is entered into via a large living room which has a multi fuel stove set within an impressive stone fireplace, mullioned windows to the front, exposed beams and ample space for a dining table. The floor is fully tiled which runs throughout the ground floor. The well-equipped kitchen features a good range of units together with granite worktops and a Belfast style sink. There are integral appliances including oven and hob, fridge freezer and dishwasher. A stable door leads out to the garden at the rear.

To the first floor is a good-sized double bedroom with mullioned windows to the front, and an ensuite shower room. The landing is a very useful space and could be used as a reading corner, with

stairs leading up to the second floor and principal suite. This room features exposed beams, dual aspect windows and an ensuite with freestanding rolltop bath, WC and basin.
