DESCRIPTION

Little Swineside is an attractive, double fronted stone built

farmhouse located in the quiet rural hamlet of Swineside. The property is in very good order and offers spacious accommodation over two floors extending to 1991sqft. The property is fully double glazed and benefits from having oil fired central heating.

The property is entered into via a useful front porch which leads into a reception room which features a beamed ceiling and has an original working cast iron range. Steps down lead to the traditional kitchen which features a good range of wall and base units with a Range style cooker, plumbing for a dishwasher, a washing machine and space for fridge freezer. There is also ample space for a dining table with a tiled floor running throughout. The kitchen leads to the dining room which has French doors leading out to the rear garden. Completing the ground floor there is a snug with a double sided multi fuel stove which is shared with a sitting room, and a ground floor shower room.

Accessed via the living room is an attached converted barn which offers a study on the ground floor with a log burner and a double bedroom above which also has external stone steps. This could be used as a separate annex if required or would be well suited to a teenager or dependent relative.

To the first floor, there are two large double bedrooms each of which enjoys a view to the front across Swineside Moor. The main bedroom benefits from having a built in cupboard and an ensuite bathroom with WC, basin and bath. There is also a house bathroom with freestanding roll top bath, WC and basin together with useful storage cupboards.

Externally the property is complemented by a well-stocked front garden which has a flagged path leading to the front door. There is a lawn, mature plants, trees and shrubs making it very private, all of which is enclosed by dry stone walled boundaries. To the rear there is a patio, which is perfect for alfresco dining together with a garth extending to approximately a third of an acre.

The property is complemented by a large double garage which provides excellent storage or additional parking. There is also ample parking for a number of cars on the graveled drive.

Overall, Little Swineside would make an excellent family home and viewing is advised to appreciate the quality of the accommodation and views on offer.
