The larger town of Reeth is 6 miles from the property where there is a wider range of facilities including shops, cafes, pubs, a primary school and a doctor's surgery.

The property is also well placed in relation to larger centres of Barnard Castle, Richmond and Kirkby Stephen. The A66 is approximately a 20-minute drive which brings the larger centres of Darlington, Teesside and Harrogate within a reasonable commuting distance. This road also provides excellent access into the Lake District.

DESCRIPTION

Hill Top Farm comprises an attractive traditional Dales farmhouse which stands in an impressive, south facing position on the hillside above Whaw. The property has a very rural feel yet is accessible to a number of local villages and towns. The property is fully double glazed and has oil fired central heating.

The property is entered into via a useful porch with space for boots and coats, which leads through into the farmhouse kitchen. This has a built in cupboard, a sink and drainer with units which are complemented by an oil fired Aga. Just off the kitchen is a back hall providing access to a shower room, utility and a substantial boot room with plumbing for a washing machine. Leading through is a spacious living room with an impressive stone fireplace with a Morso multi fuel stove. There is also a snug off this room which could be used as a ground floor bedroom if required.

To the first floor there are four double bedrooms. One of which is currently used as a living room with a multi fuel stove set into the chimney breast. Each bedroom enjoys panoramic views across the valley and the main bedroom benefits from having an ensuite shower room and an eaves storage room.

Externally the property is complemented by a good sized garden at the front which features a lawn, mixed flower beds, patio greenhouse and a vegetable patch. There is a further garden to the side with lawn and patio for seating together with parking for two vehicles to the front of the property.

The property is further complemented by a studio with running water and garage/workshop and could be used as ancillary accommodation (subject to planning). This would also make an excellent home office or games room.

Attached to Hill Top Farm is a substantial stone barn which offers potential for conversion to provide further accommodation for the house or a separate dwelling if required (subject to planning). The rooms are substantial and there are two floors. Behind the barns is the 'pole barn' which has extensive potential uses and offers excellent storage. There is also extra parking potential with plans available upon request.

Overall, Hill Top Farm offers a unique opportunity to purchase a rural detached farmhouse with stunning views and further potential with the range of barns. An early viewing is advised.
