The Warren is peacefully located in a small hamlet known as Ballowfields, between the villages of Carperby and Askrigg.

Carperby is a popular Dale's village and benefits from a public house and village hall that runs various clubs and events. It is a short drive from the nearby market towns of Leyburn and Hawes and the location is very accessible and makes commuting to the larger centres of Northallerton, Teesside and Harrogate within reasonable distance.

## DESCRIPTION

The Warren is an attractive stone built detached house located a mile outside of Carperby. The property stands well on The Straights road which makes the property very accessible. The property enjoys excellent views of Lady Hill and Lower Wensleydale.

The property is entered into via a useful porch which leads into the living room. The living room features an open fire set within a traditional fireplace, the stairs leading up to the first floor and dual aspect windows making it light and airy. There is a dining room which could be used as a home office, a fitted kitchen with a range of units together with an oven, ceramic hob and space for a dining table. This leads into a utility room with plumbing for a washing machine and a stable door leading out to the garden.

Also, on the ground floor is a garden room which could be used as a bedroom if required, and a separate wet room with WC, basin and a walk in accessible shower.

To the first floor there are three double bedrooms, each enjoying a lovely outlook and a house bathroom with a WC, basin and bath with electric shower over.

Externally the property is complemented by a good sized sheltered garden which is adjacent open fields and features a range of mature trees and shrubs. There is a lawn area with patio for seating and a gravelled area for additional parking if required. Usefully there is an open fronted store and stone built store providing excellent storage.

The Warren would make an excellent full time or holiday home in a popular part of the Yorkshire Dales National Park.
