Description

Situated at the bottom of the cul de sac, this spacious three bedroom semi-detached house enjoys an enviable position backing onto Priory Park. The house has been extended by previous owners giving three double bedrooms and a fabulous open plan kitchen and living space that is so sought after nowadays.

There is parking for three cars on the tarmac forecourt at the front and the covered porch has a useful cupboard with smart composite door opening into the hallway. Quality wood effect flooring flows throughout the ground floor with a coir mat inset to the entrance. A part glazed door opens into the good sized sitting room which has a feature chimney breast with recess for a free standing fire. From the hall it is open plan to the kitchen area which is fitted with stylish white gloss units with a complementing wood effect worktop which extends into a peninsular breakfast bar with the sink inset. Integrated appliances include an induction hob, double oven, dishwasher and fridge freezer giving a streamlined neat look. The fabulous dining/family room spans the back of the house, its high vaulted ceiling giving a real sense of space with high level and Velux windows ensuring this is a wonderfully light space. Double doors with side panels give a view onto and access to the rear garden. A doorway leads into a dual purpose utility/office area and access to the ground floor cloakroom.

The first floor is made up of three double bedrooms making this home one that will meet a growing family's needs for many years to come. Bedroom one benefits from fitted wardrobes and a lovely deep over stairs cupboard – ideal for those with an impressive shoe collection! Bedroom two has a built-in double wardrobe and the third has a wardrobe recess too. There's a further walk-in storage cupboard on the landing which makes fantastic use of the space available. The huge family bathroom is fully tiled and fitted with a chic four piece white suite including a double end bath and separate double shower cubicle with Aqua Lisa remote shower system, giving the family the option of a quick shower first thing or a relaxing soak at the end of the day. The combi boiler, which was replaced in 2020, has been located up in the loft which is accessed via a pull down ladder from the landing.

Outside, the garden is enclosed by panel fencing and arranged with artificial lawn for easy maintenance, the garden shed provides useful storage and there is a side gate for access. Beyond the rear fence is Priory Park, so no properties overlook this lovely private outside space.
