Description

Offered with vacant possession, and priced competitively for a no-nonsense sale, this grand Town House overlooks woodland, so you can start every day with a smile on your face when you open the blinds and let the day shine in.

Situated on the corner and slightly elevated with the undulations of the estate, you will feel like King of the Castle here when you look out from the top floor!

Decorated neutrally throughout, you have a blank canvass to add your own touch. Light, bright and airy, the property has smooth ceilings, TV ariel points in most rooms, and chrome door handles for a crisp modern look throughout.

The front door leads to the hall, which has a storage cupboard and a WC with a white suite. Wooden-style flooring flows from the hall into the sitting room for a neat look.

The kitchen breakfast room looks over the wooded frontage and is designed to provide space for you to sit at a table and enjoy your morning coffee looking out of the window to watch the wildlife. Light wood units provide space for a fridge/freezer, and there's an integrated washer/dryer, dishwasher and an electric oven, gas hob and extractor. The 'Ideal' combination boiler has been replaced in recent years.

The lounge/diner is a generous square space with a pretty box bay and French doors to the conservatory which has a tiled floor, and double doors to the garden.

On the first floor, a large double and single bedroom share the main bathroom which is fitted with a tidy white suite with neat tiling and a shower over the bath. The second floor has the main bedroom which has sturdy mirror fronted wardrobes that run wall to wall – loads of space for all the seasons! The ensuite boasts a double shower. Another double is on this floor and has a small amount of loft space.

Outside, the garden is laid mainly to lawn and has rear gate access to the drive and 20' garage!
