Description

Situated in the convenient location of Titchfield Common it's just over a mile to the historic of village of Titchfield and just two miles to the Locks heath Centre which offers a good selection of amenities and a large Waitrose store.

As you walk up the path leading to this neat & tidy two bedroomed apartment, we hope you’ll notice how well the area is being kept by the new local management company. Situated in a cul-de-sac location and overlooking a park with woodland beyond, the communal entrance with security entry system allows you in where you can take the stairs up to this second/top floor apartment.

The hallway has a useful built in storage cupboard, so plenty of room to put away your coats and shoes. Stepping into the living area, it’s open plan with the kitchen, great for socialising with friends or family. The kitchen area has tiled surrounds with plenty of storage in the wood effect units and is equipped with a built in oven and hob, and spaces for the washing machine, a dishwasher and fridge/freezer. It’s dual aspect, so a light bright space with views to the front over the park and to the rear the communal garden.

There are two bedrooms, the larger to the rear benefitting from a fitted wardrobe. Bedroom two has a great view out over the park and woodland beyond. The bathroom has a window and is a good size so you can enjoy a soak after a long day or a swift morning shower.

Outside there is a lawned communal garden as well as bike and bin storage. There is an allocated parking space and additional visitor spaces nearby. Having a resident’s run management company in place means that external and communal parts of the building and grounds are taken care of, so this is a super easy home to manage. The sellers have already earmarked a new build home which is due to be ready in March/April, so this could be a nice easy move.
