Description

This is such a great location, with the only passing traffic being just your neighbours, plus the convenience of being a short distance to Botley Road, your morning commute is made a lot easier. For those needing public transport, the bus stop to Whiteley, Fareham and Swanwick train station is just a short walk around the corner. On the direct London line, there is a cycle path on the Botley Road and Swanwick station for local access.

This lovely semidetached home has the advantage of a driveway to the side providing parking for two cars, as well as parking on the street. The front door opens into the hall, with stairs to the first floor, and a door to the sitting room which leads to the back of the house. Neat practical oak style flooring flows though the cupboard under the stairs and a spacious cloakroom, which has a white suite and a window, and plenty of space to hang coats, and into the kitchen / dining room.

The kitchen / dining room is a great space, with loads of room for a family table – perfect for entertaining or watching over the children doing their homework whilst preparing the family meal. The white kitchen is well planned to provide lots of cupboard space, and has an integrated fridge freezer, double oven, gas hob, extractor & dishwasher. With French doors that open into the garden, it’s the ideal layout for the summer months too.

Upstairs, there is access to the loft and to the main bedroom, which has a mirror fronted double wardrobe, and a white ensuite with a shower cubical and complimentary tiles, plus a window. The other two bedrooms, one with a double wardrobe, share the family bathroom which has a shower over the bath; ideal for a quick shower or a more indulgent soak when time allows.

Outside, the garden is enclosed with panel fencing and a side gate gives access to the parking; really convenient when you bring back the weekly shop. The garden is a blank canvass being laid to lawn and being 30’x30’ there’s plenty of room to kick a ball around, and host summer BBQ. A timber-built shed provides storage for your bikes and the paddle boards.

Offered with vacant possession, we think this is a great house on a good plot and invite you to take a peek at our full walk around video on our website.
