Description

If you are looking for a home that you can move straight into with no work to do then this lovely bungalow should definitely be on your 'to view' list. The current owners have spared no expense on the improvements they have made over the last 3 years including upgrading the electrics, a water softener, replacement double-glazed windows and French doors, redecoration and flooring internally as well a new driveway, resin rendering and patio externally.

The smart block paved driveway gives parking for 2-3 cars in front of the property with access down the side to the rear garden. The front door opens into the hallway which has practical wood style flooring which flows through to the bedrooms. There is a useful built in cupboard for coats and shoes and loft access hatch. The main bedroom has a deep box bay window to the front and a range of quality fitted furniture including a wall of wardrobes with feature lighting and bedside drawer units. Across the hallway bedroom three is also a double room. The retiled bathroom is a really good size with four piece suite including bath and separate shower cubicle. The airing cupboard houses the boiler and hot water tank with space for towels too.

The living space and kitchen are all at the rear of the bungalow so you can make the most of the south facing aspect. The kitchen/breakfast room is fitted with a modern range of grey shaker style units with built-in eye level oven and 4 ring gas hob. There's space for a table and chairs so friends can sit and have a natter whilst you make the tea. And there's a door out to the garden, handy for popping out with the washing! The sitting room is carpeted (yes, we will ask you to take off your shoes) with double doors out to the garden and a door into the dining room. This room, originally a garage, could be swapped around and used as a third bedroom if you wish, and has windows to the front and rear.

Outside the rear garden is a real sun trap being south facing, it is also very private backing onto single storey properties in Hamble Park behind. An Indian sandstone patio hosts a timber cabin with bar, which should definitely help you to be the host/ess with the most/est for fun BBQs. There is a covered pergoda perfect for alfresco dining, a garden shed and summerhouse/workshop too, so you won't be short on storage.

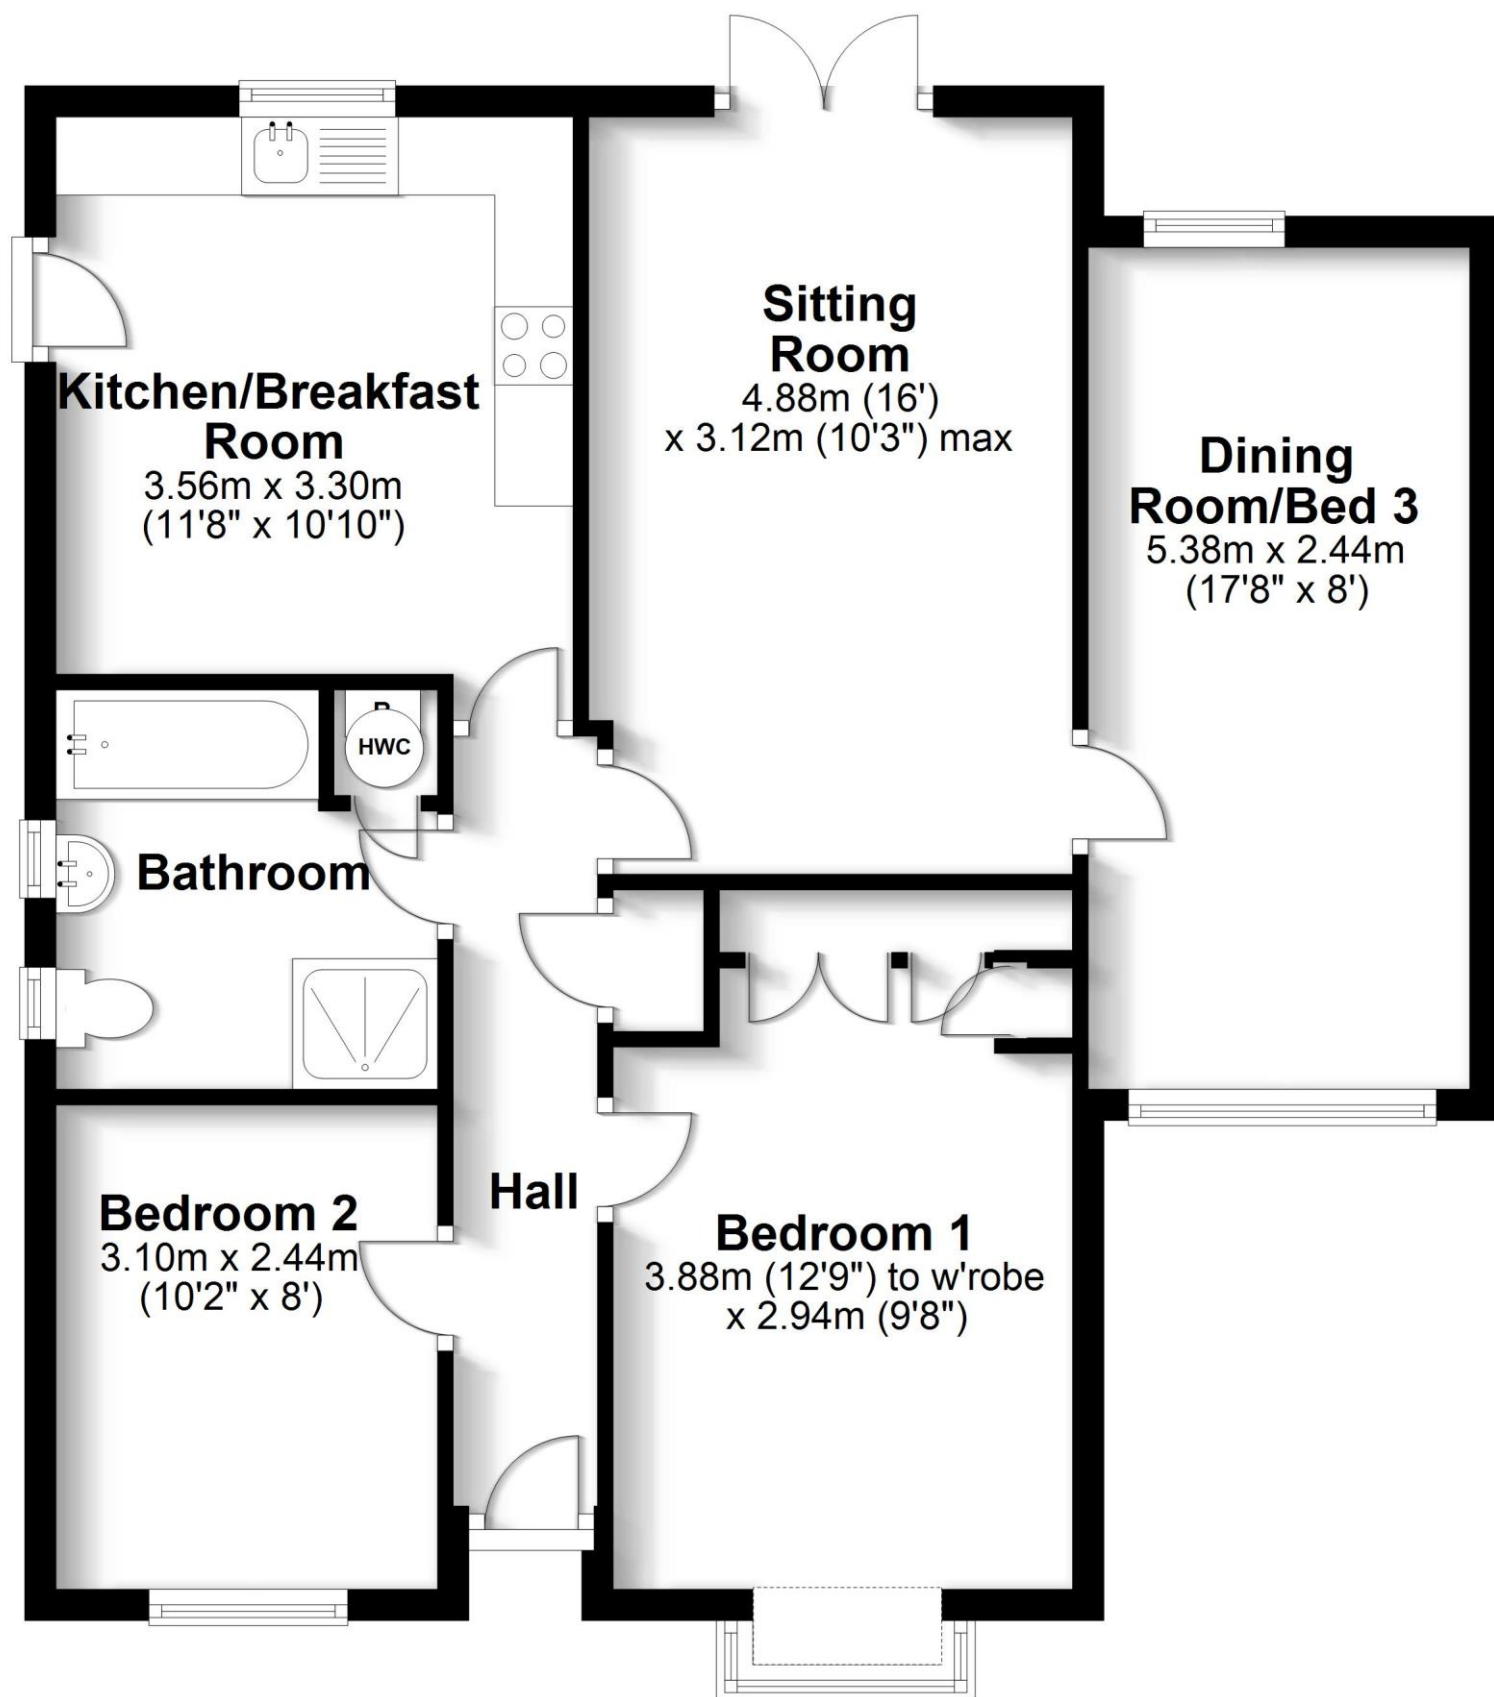

Warsash Common is just down the road, which is perfect for those with four legged friends, and the Jolly Farmer pub round the corner in Fleet End Road may be tempting for an impromptu meal out.
