Description

Living here is definitely a practical lifestyle choice. The vibrant village centre is just 20 minutes on foot, where you can enjoy the independent shops, cafés and restaurants as well as regular community events. If the outdoors is more your thing, then the nearby Priory Park is great for sports and there are lots of wonderful walks around the area to explore, so get the wellies ready. There is no denying the curb appeal of this home. The sage-coloured windows are set off by the low fence surround, with a double-width block paved driveway to the side. The central hallway has a useful cloak cupboard built in, and the cloakroom is neatly tucked under stairs. Quality wood-style flooring flows through the ground floor for easy cleaning. The sitting room spans the depth of the house with double doors out to the garden, acoustic panelling making a feature wall and backdrop. The triple-aspect kitchen/dining room has a full-length bay window to the side, making this a really lovely bright space. Fitted with white gloss units and contrasting granite work tops with under-mounted sink, there are integrated appliances for a neat look, including: gas hob, electric double oven, dishwasher and fridge/freezer. The utility room keeps the noisy appliances and the washing out of the way and has a door out to the garden.

On the first floor, bedroom one has its own ensuite shower room. Bedroom four is currently being used as a dressing room but is a good-sized room, as are the other two bedrooms, which are both doubles, all of which share the family bathroom. On the landing is a deep storage cupboard housing the gas combination boiler. The rear garden is enclosed by panel fencing with an access gate at the front out to the driveway. Arranged for ease of maintenance with an artificial lawn, there is a patio to the rear of the house and a further area with pergola over so you can make the most of the sun or shade throughout the day. The garage has power and light and a boarded roof space with a pull-down ladder offering great storage.
