Description

Enter through your front door into the reception hall with beautiful gloss-finished wooden flooring extending across much of the ground floor, with storage built in and a large understairs coat hanging space. Doors lead you off to the ground-floor toilet with modern finishes including tiling, basin and W.C. The front-to-back living room has two sets of French doors leading to the side and rear gardens and further glazed French doors leading into the spacious and well-appointed kitchen. You will find a single-bowl sink unit, an inset electric hob with a double oven beneath and extractor over, worksurfaces with a range of floor-standing cupboards, drawers and eyelevel units and downlighters. A further door takes you into the utility room, which has a range of built-in larder-style cupboards, integrated fridge/freezer, and a further worksurface with room for the washing machine and dryer below. Installed within the last two years, a Worcester combination boiler, then a door to the side. The occasional third bedroom offers flexibility for use as a bedroom, snug or formal dining room.

The first floor landing has a Velux window and is currently used as a study area, making it a great use of space. There are two double bedrooms, the first of which has double built-in wardrobes and en-suite bathroom with panelled bath and drench shower over, W.C. and vanity basin. The second bedroom has triple built-in wardrobes, and also its own en-suite with bath and drench head shower over, vanity basin and W.C.

Drive into the block-paved Amberwood Mews and you will find parking for up to three cars plus the detached brick-built garage with personnel door to the garden. The rear garden is beautifully kept with high-level wooden fence panel surround, mature shrubs and plants, perfect patio dining space, outside tap and gated access to either side.

If you are looking for a move-in-ready detached home that offers you space, flexibility and a quiet Cul-De-Sac location with good access to local facilities and the M27, look no further.
