A wall-mounted, gas-fired boiler.

On the first floor, bedroom one benefits from its own en-suite shower room and has built-in wardrobes for storage. The remaining two bedrooms, a double with recessed storage and a single. They share the family bathroom, which has a white suite comprising a WC, wash hand basin and bath. The cupboard on the landing hosts the Gledhill water heating/storage tank.

Outside, the private and enclosed rear garden is surrounded by high-level wooden fence panelling with a paved patio area, lawn and raised patio. There is an outside tap and gated access to the front. The attached brick-built garage offers room for storage, or even a car with power and light connected. Further parking to the side is available and comfortably accommodates up to three vehicles.
