Recessed displays. Ceiling extractor fan. Double panel radiator. Ceramic tiled walls.

OUTSIDE

Stone Barn stands in a large plot with an open plan front lawned garden with stone cobbled border. Adjoining York stone flagged patio area and matching pathway leading down the side of the property with apple tree, external security lighting, gas and electric meters, leading to rear courtyard. A concrete driveway provides excellent off road parking and leads directly to the detached garaging. External all weather power points.

Beyond the garages is a private lawned garden with stone chipped patio area and external lighting. The garden enjoys superb open rural views.

GARAGE ONE

20'9 x 20'2

Double garage approached through two up and over electric doors. Pitched and tiled roof. Part glazed rear personal door. Power and light supplies connected. Two Velux double glazed roof lights provide natural light.

GARAGE TWO

20'2 x 10'8

Third single garage, again with a matching electric up and over door. Two garden water taps. Power and light supplies connected. Velux double glazed roof light. Double glazed window to the rear of the garage provides further natural light with adjoining part glazed door.

GARDEN STORE ROOM

13'3 x 9'1

Situated to the rear of the garage block is a useful separate garden room with a double glazed window enjoying the rural views. Two side opening lights. Power and light connected. Part glazed side door.

CENTRAL HEATING

The property enjoys the benefit of gas fired central heating from a Worcester boiler (5 years old) serving panel radiators and domestic hot water.

DOUBLE GLAZING

Where previously described the windows have been DOUBLE GLAZED

Stone Barn

Warton Lodge Farm Preston Rd, Lytham

DRAINAGE

There are separate top water and foul water drains and the latter is routed via a 'Biotec Sewage Treatment Plant' which is discretely located underground approximately 150 feet away from the property near to the end of the driveway. The outflow from the treatment plant then joins with the top water and exits the site en-route to the local drainage network.

TENURE FREEHOLD/COUNCIL TAX

The site of the property is held Freehold and is free from any chief rent or other encumbrances. Council Tax Band G

LOCATION

Stone Barn is a very attractive and spacious five bedroomed detached barn conversion built under the supervision of the current owner from 1992 and enjoys a stunning semi rural location on the boundary of Lytham within a small private hamlet of just five properties and being only 5 minutes driving distance to the centre of town with its well planned tree lined shopping facilities and town centre amenities. Lytham St Annes and South Fylde are well served with local primary and senior schools and four championship golf courses. The M55 motorway is also within a few minutes driving distance. An internal inspection is strongly recommended to fully appreciate the well planned family accommodation this property has to offer.

VENDORS COMMENTS

"The original barn was built in the early 1800's and was part of a working farm until it's closure in the 1980's. Built on firm clay, the external walls were constructed of random stone boulders, believed to be from the riverside but with brick gable ends and a couple of brick lean-tos. A pitched slated roof was supported by timber purlins which sat on two internal brick cross walls and a king post truss. Hay lofts existed at each end of the building constructed over the original cattle stalls.

The current 'Stone Barn', whilst standing on the original footprint, retains only the two internal cross walls from the original barn, both having been underpinned with reinforced concrete footings. The original external walls were demolished and rebuilt but faced using the original stone boulders, all on a foundation of reinforced concrete footings and floor slabs. The king post truss and a number of purlins are the only other items which have been retained from the original barn".

VIEWING THE PROPERTY

Strictly by appointment through 'John Arden & Company'.
