DISCOUNT TO MARKET

Discount to Market is development/apartment specific and subject to availability, status and eligibility including the eligibility criteria set and managed by Fylde Borough Council. The property must be the sole residence of all purchasers. The scheme is not available for buy to let properties. You cannot apply to other Government shared equity schemes while also using this scheme. If you have an open application to any other shared equity scheme you must withdraw this before you purchase a Discount to Market property. However, you can use an ISA or Lifetime ISA to put towards your deposit.

Please note the intention of the Discount to Market scheme is to retain the discount to market price for all future sales.
