**ASTIN'S**

A magnificent semi-detached property occupying an excellent elevated position and enjoying panoramic views over Ainthorpe, Danby and towards Castleton and the surrounding unspoilt countryside of the North Yorks Mors National Park. Danby is an attractive village with lots to offer by way of primary school, surgery, bakery, traditional village pub and the Danby moors centre along with fantastic walks.

The property itself would make an ideal family home; the accommodation is generously laid and offers spacious family living. The ground floor comprises of good size kitchen with separate utility area, through to a large dining room with views over the front garden, into a large lounge with bay window flooding the room with light and large conservatory off. There are beamed ceilings, high skirting's and other wonderful character features throughout. The first floor offers 3 double bedrooms and family bathroom. The elevated views from this floor are glorious and again the whole house offers lots of natural light and a fantastic space. To the front of the property there is a large, well-stocked garden and also to the rear with outhouses. There is a pull on hard standing for parking and on street parking to the front.

This property really needs to be seen to appreciate its space, position and just to appreciate how fabulous this home really is, an ideal family home in the heart of the parks.

**England & Wales** EU Directive 2002/91/EC

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO<sub>2</sub>) emissions. The higher the rating the less impact it has on the environment.

**Estimated energy use, carbon dioxide (CO<sub>2</sub>) emissions and fuel costs of this home**

	Current	Potential
Energy Use	453 kWh/m <sup>2</sup> per year	178 kWh/m <sup>2</sup> per year
Carbon dioxide emissions	13 tonnes per year	4.6 tonnes per year
Lighting	£81 per year	£00 per year
Heating	£1123 per year	£457 per year
Hot water	£219 per year	£104 per year

Based on standardised assumptions about occupancy, heating patterns and geographical location, the above table provides an indication of how much it will cost to provide lighting, heating and hot water to this home. The fuel costs only take into account the cost of fuel and not any associated service, maintenance or safety inspection. The certificate has been provided for comparative purposes only and enables one home to be compared with another. Always check the date the certificate was issued, because fuel prices can increase over time and energy saving recommendations will evolve.

To see how this home can achieve its potential rating please see the recommended measures.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.
