ASTIN'S

Astins are proud to bring to the market “The Curious Crab” cottage. A remarkable period cottage that has undergone massive renovation works in the vendor’s ownership. The cottage has appeared as a spotlight property in Home building & renovating magazine and Yorkshire Post magazine.

The property is ideally located and nestled beautifully. Close to the Beach, restaurants and other amenities and boasts lots of period features one would expect to find in a Fishermans Cottage by the sea. The accommodation comprises of a lower ground floor kitchen that was stripped right back to the stone, tanked and new kitchen fitted. The ground floor offers a large lounge with original bread oven range with working fireplace, exposed beams and sanded wood flooring, there is also a large storage utility off and dining area that comfortably fits a table for 6.

The first floor offers a large master bedroom with original fireplace, second good size bedroom and family bathroom. The second floor offers a further double bedroom with velux windows showering the room with light.

This cottage without a shadow of a doubt is one to view and literally is one of the best examples of a ready to go, fully renovated cottage that is currently a very successful holiday let and is sold with ongoing bookings in place.

Energy rating and score

This property's energy rating is E. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60

Breakdown of property's energy performance

<https://find-energy-certificate.service.gov.uk/energy-certificate/8822-4426-5300-0592-3202>

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.
