ASTIN'S

This delightful one bedroom apartment is situated in the most wonderful location in Sandsend. Located right on the Parade, this property overlooks the sea and has views all the way to Whitby. As a one bedroom apartment it offers very spacious accommodation and the front elevation has the most incredible views out to sea.

This iconic property on the front, houses 4 apartments and this apartment is located on the second floor. The accommodation comprises of a modern kitchen with integral appliances and breakfast area with views across the beach and to sea. The large lounge/diner is extremely spacious and the front elevation is predominantly glass overlooking the coastal views. The bedroom is off the lounge and again is a generous master bedroom with en-suite shower room.

There is also access from the bedroom rear door to a shared courtyard area which is a sun trap in the summer months. The apartment has a separate walk-in cupboard currently housing a washing machine and excellent storage.

Holiday letting is permitted in the building and with this location and space it would make an ideal holiday let, bolt hole or by to let property. It is offered with no upward chain.

England & Wales EU Directive 2002/91/EC

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

Estimated energy use, carbon dioxide (CO₂) emissions and fuel costs of this home

	Current	Potential
Energy Use	453 kWh/m ² per year	178 kWh/m ² per year
Carbon dioxide emissions	13 tonnes per year	4.6 tonnes per year
Lighting	£81 per year	£00 per year
Heating	£1123 per year	£457 per year
Hot water	£219 per year	£104 per year

Based on standardised assumptions about occupancy, heating patterns and geographical location, the above table provides an indication of how much it will cost to provide lighting, heating and hot water to this home. The fuel costs only take into account the cost of fuel and not any associated service, maintenance or safety inspection. The certificate has been provided for comparative purposes only and enables one home to be compared with another. Always check the date the certificate was issued, because fuel prices can increase over time and energy saving recommendations will evolve.

To see how this home can achieve its potential rating please see the recommended measures.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.
