This flat has been newly redecorated and carpeted throughout - a one bedroom first floor property with a great view across to the harbour. This property can be used as a permanent residence or holiday let. The lounge has a lovely feature bay window with a window seat from which to watch the world go by. The kitchen is directly adjacent to the lounge . There is space for a washing machine and fridge/freezer, built in electric hob and oven, single sink and a combi gas boiler. There is also a door from the kitchen back into the lobby area if required but presently this is kept closed. The double bedroom is at the rear of the property and has space for a wardrobe or hanging rail in addition to the bed. The bathroom has a bath with shower above, WC and hand basin. This is a great opportunity to get onto the property ladder or have a smaller lock up and leave property close to the town centre. Call us now to appreciate the views!
