70 Rosedale Lane has everything and certainly warrants closer inspection to be fully appreciated. A contemporary, two bedroom cottage situated in the popular coastal hamlet of Port Mulgrave. What once was a workers mining cottage is now a modern and stylish family home with gas central heating and double glazing throughout. The accommodation has been upgraded by the current owners, and is now a fabulous 'turn-key' property. The living space briefly comprises a kitchen/diner with shaker style fitted units and built-in appliances, there is a cosy lounge with log burner, a light and airy conservatory and bathroom with separate bath and walk-in shower completing the ground floor. The first floor offers a single bedroom and a double, both with amazing rural and sea views. Externally there is an enclosed yard, which creates a lovely seating area. With Staithes, Runswick Bay and Whitby all within walking distance, this beautiful cottage would make a perfect base to explore the area. It would make a great starter home for first time buyers, second home or holiday let investment also.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.

### Rules on letting this property

Properties can be rented if they have an energy rating from A to E.

If the property is rated F or G, it cannot be let, unless an exemption has been registered. You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

### Energy efficiency rating for this property

This property's current energy rating is E. It has the potential to be B.

[See how to improve this property's energy performance.](#)

The graph shows this property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:

the average energy rating is D  
the average energy score is 60

<https://find-energy-certificate.service.gov.uk/energy-certificate/8172-7521-0820-0100-7996?print=true>

1/5

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more efficient the home is and the lower the fuel bills will be.
