## Strategic Development Opportunity – 6.65 Acres of Undeveloped Land in Roydon, Harlow

Target Property is delighted to bring to market a substantial parcel of undeveloped land extending to approximately 6.65 acres, situated in a key growth location in Roydon, Harlow. This is a rare and exciting opportunity to acquire freehold land that now forms part of the long-term strategic planning vision for the Harlow area.

The land is included in the Local Plan adopted by Epping Forest District Council on 14th March 2023. This adoption marked the final component of the planning framework for the Harlow & Gilston Garden Town, following the adoption of the Harlow Local Plan in December 2020 and the East Herts Local Plan in October 2018. The unified adoption of these plans provides a cohesive development vision for the wider region and significantly enhances the prospects for future development in this location.

Of particular relevance is Strategic Policy SP4.2 within the Epping Forest Local Plan, which allocates land at West Harlow for a major mixed-use development. The policy supports the delivery of approximately 2,100 new homes, along with associated infrastructure including schools, community facilities, open space, and play areas. The subject site falls within the scope of this allocation and therefore represents an exceptional opportunity for developers and investors to engage in a project of significant scale and long-term value.

The land is offered for sale on a chain-free basis. Site visits can be arranged strictly by appointment.

This is a compelling opportunity for forward-thinking developers or land promoters seeking a strategic site with strong planning context and excellent potential for residential-led development within a well-connected and rapidly evolving area.

To arrange a viewing, contact Target Property on 01992 766 245 (option 2 Sales).

#### What Are ID & Anti Money Laundering Checks

We are required by law to conduct anti-money laundering checks on all those selling or buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Lifetime Legal who will contact you once you have agreed to instruct us in your sale or had an offer accepted on a property you wish to buy. The cost of these checks is £75 (incl. VAT), which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance of us publishing your property (in the case of a vendor) or issuing a memorandum of sale (in the case of a buyer), directly to Lifetime Legal, and is non-refundable. We will receive some of the fee taken by Lifetime Legal to compensate for its role in the provision of these checks.

#### Proof of Funds

An estate agent may ask for proof of funds at two different stages and for two different reasons. If an estate agent asks for proof of funds before you put an offer in, it may be because they want to make sure you have a genuine interest in the property to avoid any disappointment for the seller. However, you don't have to provide proof of funds before putting an offer in.

#### Source of Funds (SOF)

(SOF) is the process of verifying the origin of a customer's money for a specific transaction. The goal is to ensure that the funds are not from illegal activities.

#### Evidence of Property Sale:

If you intend to use proceeds from an ongoing property sale, you will be required to provide supporting documentation. Acceptable evidence includes a letter from your solicitor, confirmation from your broker, a detailed breakdown of the funds being allocated, and an Agreement in Principle (AIP) covering the remaining balance. Additionally, please provide either written confirmation of the agreed sale price from your estate agent or a copy of the completion statement.
