Talbot Apartments, formally known as The Talbot is believed to date back to 1580 when it was first noted as a beer house. In latter years it has been a hotel and then a coaching inn during the 19th century. The Grade II listed building is a very notable part of Tetbury's town centre, standing proud on the Market Place at the top of the renowned Gumstool Hill. The property now comprises a collection of apartments and number 3 sits to the rear of the building, on the ground floor, boasting its own private front door accessed along the gravelled driveway entrance.

Rising a couple of steps to the front door, the accommodation is commenced via the triple aspect kitchen/dining room. This space comprises a range of fitted wall and base units with integrated appliances that include a undercounter freezer, a washer/dryer, electric oven and an induction hob with extractor hood. There is also space for a freestanding fridge freezer, and one half of the room offers ample space for a dining table. There is a natural stone tiled floor which flows throughout this room and into both the inner lobby and the bathroom that sit beside the kitchen. The lobby has a useful fitted cupboard that houses the gas central heating boiler, as well as space for storage, and an adjacent door leads into the sitting room. This is a spacious room with a double sash window complete with a window seat on one wall, and a bespoke fitted entertainment unit with shelving and cupboards. There is a laminate, wood effect floor fitted throughout, which also flows into the bedroom beside the sitting room. The bedroom is of double proportion with useful fitted wardrobes running along one side. Completing the accommodation, the bathroom comprises a white suite with a shower over the bath, and the room benefits metro tiling along one wall. All the windows throughout the apartment have very discreet secondary glazing fitted, allowing the charm of the wooden frames to show through.

The generous communal garden can be found beyond the gravel parking area, where the apartment has its own allocated space. The garden has a great decked terrace looking out onto the valley that the Tetbury Trail runs through. The garden is a great place to sit and enjoy the summer months.
