The Rowans, 13 Priory Way, Tetbury, Gloucestershire, GL8 8HT

A favourably situated detached Bungalow accompanied by a generous garden, off-street parking and extended living accommodation.

Priory Way is a mature residential cul-de-sac that is very well located within the town, just a short walk of the town centre. The Rowans has been home to the current owner for 7 years and is well appointed throughout with some alterations and an extension added within these years. The turn-key accommodation reaches approximately 1142sq.ft and is very practically laid out with living accommodation and bedrooms to either side of the property.

The front door leads into a bright and welcoming hallway that has some bespoke store cupboards fitted and doors to access the sitting room and kitchen, plus all three bedrooms and bathroom. The sitting room is at the front of the property and features a large picture window overlooking the front garden. There is a focal gas fireplace with a stone surround that creates a natural focal point within the space. This room is semi-open plan to the kitchen/dining room via an opening, allowing a super sociable layout. The kitchen is at the back of the property with another large window overlooking the rear garden. There is an excellent range of wall and base units fitted with integrated appliances that include a dishwasher, washing machine and microwave. The kitchen also benefits space for a range cooker, which the current owner has a fabulous Everhot within, and there is also space for a fridge freezer. The second half of this room provides ample space for a dining table and chairs. Beyond the dining area, accessed via glazed doors leads into the extended part of the property. This is a fabulous garden that enjoys a panoramic view across the rear garden, complete with a sliding glazed door opening onto the patio terrace. Completing this side of the accommodation is a door leading to the utility room which also has a W.C, and a door into the remainder of the former garage what is now a workshop or handy garden storage space. Access to both the rear and front can be found here too.

Back across the hallway are three bedrooms; two comfortable doubles and a large single room. All three of the bedrooms benefit from fitted cupboards and one of the doubles has the handy addition of an independent shower and vanity unit with a wash basin. The modern principal bathroom comprises a white suite which consists of a bath, separate shower, wash basin and W.C. This is finished tastefully with stone tiling to the wet areas.

Externally both front and rear garden are beautifully maintained and landscaped with mature and well-stocked borders. The front garden has a driveway that will comfortably park several vehicles and a stone wall runs across the front border. The rear garden is a real private space, bordered by hedging, trees and mature shrubs.

There is a patio terrace directly across the rear of the house making a great summer entertaining area with space for a table and chairs, overlooking the remainder of the garden which is laid to a level lawn. Tucked away in one corner is a wonderful summer house with French doors opening onto a small patio area at the front, providing another seating area.

We understand the property is connected to all mains services; gas, electricity, water and drainage. Council tax band E (Cotswold District Council). The property is freehold. EPC – C(70).
