

Penrallt Ceibwr & Allt y Genlli , Moylegrove, SA43 3BX

£975,000

A rare chance to purchase two properties together in the favoured village of Moylegrove, the sale of Penrallt Ceibwr and Allt y Genlli provides scope for 'multi generational' living or a business venture. Penrallt Ceibwr has previously been a bed and breakfast offering versatile accommodation, which would benefit from some modernisation, where as Allt y Genlli is currently a family home boasting four bedrooms.

Anti Money Laundering & Ability To Purchase

Please note when making an offer we will require information to enable us to confirm all parties identities as required by Anti Money Laundering (AML) Regulations. We may also conduct a digital search to confirm your identity.

We will also require full proof of funds such as a mortgage agreement in principle, proof of cash deposit or if no mortgage is required, we will require sight of a bank statement. Should the purchase be funded through the sale of another property, we will require confirmation the sale is sufficient enough to cover the purchase.

Mobile Phone Coverage

The Ofcom website states that the property has the following indoor mobile coverage

EE Voice - Likely & Data - Likely

Three Voice - Limited & Data - Limited

O2 Voice - None & Data - None

Vodafone. Voice - None & Data - None

Results are predictions and not a guarantee. Actual services available may be different from results and may be affected by network outages. Please note this data was obtained from an online search conducted on ofcom.org.uk and was correct at the time of production. Prospective buyers should make their own enquiries into the availability of services with their chosen provider.

Broadband Availability

According to the Ofcom website, this property has both standard and superfast broadband available, with speeds up to Standard 1mbps upload and 16mbps download and Superfast 5mbps upload and 34mbps download. Please note this data was obtained from an online search conducted on ofcom.org.uk and was correct at the time of production.

Some rural areas are yet to have the infrastructure upgraded and there are alternative options which include satellite and mobile broadband available. Prospective buyers should make their own enquiries into the availability of services with their chosen provider.
