Overview

Fishguard is a popular market town which stands on the north Pembrokeshire coastline. The town has the benefit of a great local shops together with a wide range of amenities and facilities which briefly include Secondary and Primary Schools, Restaurants, Public Houses, and a Leisure Centre.

A short walk away from the property stands the old harbour of Lower Town is set below the main town of Fishguard. It is a particularly picturesque village with tidal inner harbour, where the River Gwaun meets the sea. Looking across from Lower Town Harbour you can see Fishguard Harbour which has a Ferry terminal providing crossings to Rosslare in Ireland and there is also a train station with links to London running from Goodwick. The famed Pembrokeshire coastal path runs along the coastlines from where to enjoy the most breathtaking views. In our opinion properties of this nature are very few and far between and very rarely are on the market.

There are good road links along the Main A40 from Fishguard to Haverfordwest and Carmarthen and the M4 to Cardiff and London as well as good rail links from Fishguard and Haverfordwest to Carmarthen, Cardiff, London Paddington and the rest of the UK.
