Description/Situation

JJ Morris are thrilled to present 12 Goat Street, a remarkable Grade II listed property that exudes character and offers an abundance of space. This distinctive property seamlessly blends historic charm with practical features, making it a unique opportunity for prospective buyers.

The property comprises two spacious office buildings, each retaining much of their original character while offering functional and versatile spaces for a variety of uses. Adding to its appeal, 12 Goat Street benefits from a private, gated side access leading to an off-road parking space suitable for one vehicle – a rare and valuable feature in this central location.

Situated within easy walking distance of the town centre, the property provides convenient access to local amenities, shops, and services. Additionally, it is located near St. Thomas Green, where further car parking facilities are available, enhancing its practicality for both business and personal use.

Properties of this type and in such a prime location seldom come to market. With its combination of historical significance, functional space, and central positioning, 12 Goat Street represents a rare opportunity that deserves serious consideration. We highly recommend arranging a viewing to fully appreciate everything this exceptional property has to offer.
