Situation/Description

A rare and exciting opportunity to acquire one of the original stone-built properties on the highly sought-after Millmoor Way, in the picturesque seaside village of Broad Haven.

This charming and character-filled detached four-bedroom residence stands as a testament to traditional craftsmanship, having been lovingly maintained and thoughtfully updated by its current owners. Set within a peaceful residential setting, the home offers a wonderful sense of space and versatility, boasting three well-proportioned reception rooms that cater beautifully to modern family living, home working, or entertaining.

From the moment you step inside, you are met with a warm and welcoming atmosphere, enhanced by the property's original features and tasteful enhancements. To the front, elevated sea views can be enjoyed from the main living areas and upstairs bedrooms, offering an ever-changing coastal backdrop that brings a sense of calm and connection to the surroundings.

Externally, the property continues to impress with its private gated driveway, providing secure off-road parking, and a low-maintenance garden area to the side, ideal for alfresco dining or simply enjoying the peaceful location without the upkeep of a larger plot.

Positioned just a short stroll from the golden sands of Broad Haven beach and the scenic Pembrokeshire Coast Path, this home offers the very best of coastal living. Whether you're seeking a permanent residence, a holiday home, or an investment in a thriving seaside village, this property presents a rare opportunity.

The village of Broad Haven itself is a vibrant yet laid-back community, offering a safe, sandy beach, popular with families and water sports enthusiasts alike. A selection of local amenities, including a village shop, cafés, pubs, and a well-regarded local school, are all within easy walking distance. The county town of Haverfordwest is just a 15-minute drive away, providing a wider range of shops, supermarkets, schools, and transport links, including a railway station and hospital.
