what3words location of buildings: [actual.teaspoons.shimmered](https://www.what3words.com/?w3w=actual.teaspoons.shimmered)

SITUATION:

This parcel of land is located at Cyffig, which lies between Whitland and the village of Llanddowror, within a belt of highly productive early pastureland suitable for grazing and cropping. Local services can be found in the nearby towns of St. Clears and Whitland.

DESCRIPTION

A plan of the land is attached for identification purposes only. The land is approached off a minor roadway that is a no through road, via a compacted stone lane, and is divided into two blocks. There is a small range of buildings comprising a 3 bay cattle shed with lean-to fronting onto a feed yard. The land is predominantly all clean, being level or gently sloping and divided into useful sized, easily worked enclosures and over the last few years, it has been grazed and cropped. It is reasonably well fenced and gated.
