## **Beaconing Fields Development**

JJ Morris Haverfordwest are delighted to act as the sole selling agent for Plot 56 at Beaconing Fields, an exciting new development situated on the edge of the popular coastal town of Milford Haven, within the highly sought-after residential area of Steynton. This particular property is a spacious four-bedroom detached family home, complete with its own private driveway, garage, and landscaped garden, offering a perfect balance of comfort, practicality, and style. Designed with modern living in mind, the home benefits from a thoughtfully planned layout, ensuring both functionality and a welcoming atmosphere. Beaconing Fields is being carefully crafted by L. Greggain & Co. Ltd., a long-established, award-winning local developer with a reputation for delivering homes of outstanding quality. Each property within the development is finished to the very highest standard, with attention to detail evident throughout. The site will feature a range of house types, meaning there is something to suit a variety of buyers, whether you are seeking your first home, a family property, or a place to downsize without compromise. Reservations are now being taken on the latest phase of this prestigious development, giving buyers the opportunity to secure a home in what is set to become one of the area's most desirable addresses.
