Description

A highly desirable organic livestock farm extending to 238.57 acres or 96.55 hectares or thereabouts affording a range of modern and well designed farm buildings and handling facilities which are ideally suited for livestock production. Approached from the roadside via a concrete farm lane which passes the modern farm buildings and leads to the traditionally constructed farm buildings which are in excellent condition and are positioned adjacent to the Grade II listed farmhouse which has been totally transformed into a beautiful residence.

The sale of Disgwylfa offers interested parties with numerous opportunities for diversification as the attractive traditional farm buildings offer considerable conversion potential subject to gaining the necessary consents. Nicely set away from the farm buildings the farmhouse enjoys a beautiful countryside aspect incorporating privacy and seclusion. Boasting a wealth of character features the farmhouse is immaculately presented and ready for

immediate occupation. Surrounded by pretty grounds and agricultural land, this well established organic farm is worthy of an early inspection and is described in more detail (approx. dimensions only):

Ground Floor

Kitchen 9'11" x 11'10" (3.04m x 3.63m)

Boasting a wealth of character features to include open beamed ceilings, white washed walls and sash window to the fore. Standing proudly within an exposed stone wall is the oil fired 'Aga' which is responsible for the cooking only, also incorporating a 'belfast' double sink with granite surround. Tiled floor, space for a table and chairs and a door leads to:

Pantry 6'9" x 13'7" (2.06m x 4.15m)

Incorporating plumbing for an automatic appliance, free standing larder cupboard, wooden base units providing additional storage capacity, space for a freestanding fridge/freezer. Terrazzo tiled floor, white washed walls. sash windows to the side and rear.

Dining Room 17'10" x 18'7" (5.45m x 5.67m)

Landing

From the kitchen steps lead up to a spacious and versatile reception room which boasts a wealth of character features to include a quarry tiled floor, open beamed ceiling and stone and timber clad walls. The most attractive feature being the stone fireplace (plated chimney) with beam above which houses a '12kw Clearview' wood burning stove, stairs rise to the first floor and a door leads to:

Sitting Room 9'11" x 17'8" (3.03m x 5.40m)

Enjoying a double aspect, the 8kw 'Clearview' wood burning stove provides a focal point to the room which also offers delightful character features to include timber floorboards and exposed beams.

First Floor

Window to the rear, exposed 'A' frames and doors lead to:

Bedroom 1 13'3" x 10'1" (4.06m x 3.09m)

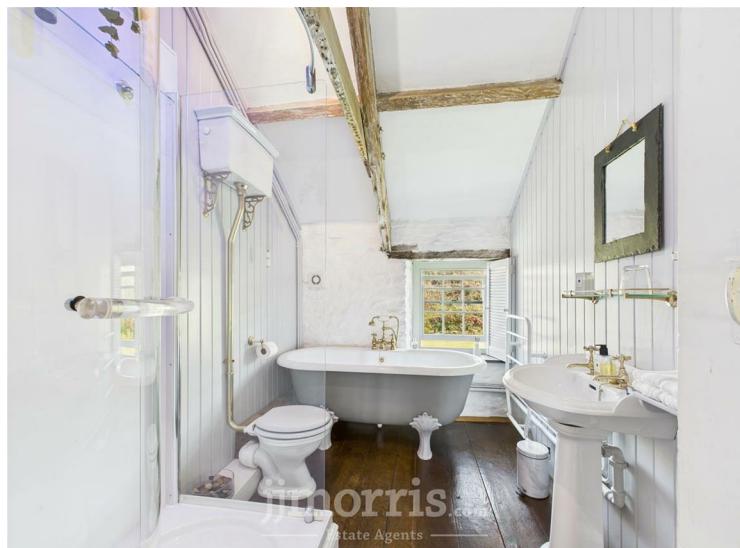

Overlooking the fore, affording a wealth of character to include exposed 'A' frames and floorboards, a door leads to:

En Suite Shower Room 3'9" x 9'8" (1.15m x 2.97m)

Comprising a W.C., free standing bowl with granite shelving below, heated towel rail, shower cubicle including two attachments and exposed timber frames.

Family Bathroom 9'7" x 6'6" (2.94m x 2.00m)

Window to the fore affording a W.C., wash hand basin, roll top bath with hand held shower attachment, separate double shower cubicle incorporating two attachments, two heated towel rails, exposed floorboards and beams above.

Bedroom 2 17'7" x 9'4" (5.38m x 2.87m)

Double room overlooking the fore via a sash window, including exposed floorboards, loft access and built in cupboards house the hot water cylinder with immersion heater and the consumer unit. Step descends to:

Bedroom 3 17'7" x 13'8" (5.38m x 4.18m)

This delightful bedroom enjoys a double aspect boasting a wealth of character features to include exposed 'A' frames and timber floorboards. A door leads onto a balcony which wraps around to the rear of the farmhouse providing the most delightful and private seating area where one can sit and truly admire the peace and tranquillity of the surrounding countryside whilst also enjoying a coastal aspect towards the Pembrokeshire coastline.

Externally

Surrounded by lawned grounds which incorporate a variety of well established shrubs, productive vegetable patch and a pond is located within the rear garden. A level patio area to the fore provides a lovely space to relax and appreciate the peacefulness of this lovely farm. The grounds are easily maintainable but offer considerable opportunity for further enhancement if desired.

Traditional Farm Buildings

Adjacent to the farmhouse are adjoining stone and slate buildings which incorporate an outside cloakroom to include a W.C., wash hand basin and heated towel rail. Whilst the remaining area and other building is suitable for storage purposes. No doubt these attractive buildings offer considerable conversion appeal subject to gaining the necessary consents.

Double skinned Brick Shed (24.19m x 6.02m) Incorporating plumbing for an automatic washing machine, with complimentary work surface above and providing a great storage space. We would advise that the tin roof has an anti-drip covering.

Hayshed with lean-to.

Adjoining Workshop (22.67m x 6.76m) The former cubicle shed now incorporates the diesel tanks and used as a workshop with concrete floor.

Modern Farm Buildings

The Straw/Hay Barn (30.2m x 15.5m) is steel framed with 'yorkshire' boarded walls with adjoining feed passage (30.2m x 7.7m). A livestock shed (30.2m x 12.85m) adjoins the feed passage with partly block and 'yorkshire' boarded walls and two external water taps.

Covered Manure Store 60' x 40' (18.29m x 12.19m)

Steel framed with 2 metre concrete panelled walls with 'yorkshire boarding'. Concrete floor and approved to the required environmental standards.

Modern Cattle Handling Facilities - Partly undercover with circular motion area, which allows for the safe and easy movement of livestock.

Livestock Housing

Spread across three different sheds the overall dimensions being (45.72m x 27.86m) Currently two of the steel framed sheds are used for cattle housing with central feeding passage, whilst the third shed is currently used as a woodshed but could easily be adapted into livestock housing. With soil floors, the farm buildings are ideally suited for livestock production.

Concrete pad suitable for big bale storage.

Land

Conveniently located to the homestead the land has been farmed organically for many years and is divided by a minor council maintained roadway and extends in total to 96.55 hectares or 238.57 acres or thereabouts which includes 10.14 hectares or 25.05 acres of woodland and 1.22 hectares or 3.01 acres to include the homestead, tracks and streams. The land offers a combination of level to gently sloping land which is used for both grazing and cropping purposes and we would advise that there is approximately 210 acres of land suitable for agricultural activity. We would advise that the best quality land immediately surrounds the homestead and is also located below the cycle track and is suitable for cropping purposes i.e. silage production. The other land is suitable for grazing with some areas of rougher grazing offering considerable environmental appeal. Very rarely does a large block of organic land appear on the open market which should appeal to those looking for a well established organic farm. We would advise that no footpaths cross the land.

General Remarks

Very rarely do quality livestock farms such as Disgwylfa appear on the open market which offer a large area of land, excellent and well designed livestock buildings and an attractive Grade II listed farmhouse that has been sympathetically restored offering a beautiful family home. To fully appreciate the agricultural and residential appeal that this desirable livestock farm has to offer an early inspection is strongly recommended.

Anti Money Laundering and Ability To Purchase

Please note when making an offer we will require information to enable us to confirm all parties identities as required by Anti Money Laundering (AML) Regulations. We may also conduct a digital search to confirm your identity.
