A wonderful, big-boned 4 double bedroom Victorian terraced house with very good living/entertaining space on the ground floor and a lovely walled garden which is initially tiled with the remainder set to grass and has surrounding mature shrubs and trees. The high ceilinged double reception has a feature fireplace, bay window to the front and large sash window overlooking the side return. The kitchen/breakfast room is to the rear with access to the garden. There is a shower room and linen cupboard on the half landing with 4 good sized double bedrooms and guest cloakroom on the upper floors. The house has a lovely feel, occupies an excellent position on the street and provides a great opportunity to extend over the side return, create another room/bathroom on the second half landing and excavate the already sizeable cellar / basement subject to the usual planning consents.
